WHAT TO PRAY FOR...

Can I be a missionary?

Of course you can!! But for now it probably won't be in another country. Right now, your mission is to work for Jesus in your own town or city. That is where God put you and that is where He needs you!

Your assignment includes the following:

- Pray for missionaries
- Ask God to help you grow in your faith
- Read your Bible
- Do your best at everything
- Tell others about Jesus
- Help other people in whatever way you can
